

GEOLOGY RESUME SAMPLE

Name2@gmail.com, (970) 555-1447
2618 Raintree Dr. Apt. C4, Fort Collins, CO 80526

EDUCATION

Colorado State University (CSU), Fort Collins, CO

May 20XX

- B.S. Geology, Warner College of Natural Resources (WCNR)
- Magna Cum Laude, University Honors Scholar and Geology Honors Scholar
- WCNR Commencement Speaker, May 20XX

RELEVANT ACADEMIC EXPERIENCE

Colorado State University, Fort Collins, CO

May-July 20XX

Summer Geology Field Course

- Five week course with emphasis on geologic mapping, structural geology, stratigraphy, and hydrogeology
- Performed pH, electrical conductivity, sulfide concentration, and nitrate concentration tests on river/spring water upstream and downstream from molybdenum mine; investigated the effects of mine run off as well as hydrothermal alteration in the area
- Created geologic maps and cross sections for areas near Taos, NM and Silverton, CO, by field study and aerial photograph; evaluated geologic past of areas based on sedimentary packages, metamorphic facies and structural complexities.
- Examined the lateral and vertical relationships of sedimentary deposits in ancient delta and near shore facies.

EXPERIENCE

CSU Department of Geosciences, Fort Collins, CO

August 20XX – May 20XX

Head Undergraduate Teaching Assistant

- Instructed one-credit introductory geology laboratory course
- Assisted Course Coordinator with leading teaching assistant meetings and updating lab manual answer key
- Helped students with their assignments and understanding of geology
- Graded labs, reports, quizzes, and exams

Towson University Department of Chemistry, Towson, MD

Summer 20XX

Research Experience for Undergraduates (REU) participant

- Performed research in the subject of biogeochemistry
- Gained experience working in a laboratory environment
- Executed experiments studying the effects of zinc on earthworms
- Prepared findings into a formal presentation and as a published journal article

Warner College of Natural Resources College Council (CSU)

January 20XX – May 20XX

- Elected as Vice President (2008–2009), Networking Dinner Committee Chair (2008 and 2009)
- Planned/promoted activities, including Student/Faculty Lunches, Networking Dinner, and Natural Resources Days
- Assisted incoming freshmen at Ram Welcome (orientation)
- Volunteered 25-50 hours each semester
