This Job and Your Goals

8. What aspect of this job are you the most excited about right now?

9. Are there any aspects of this job you are concerned with or nervous about right now?

10. If you've done it, what are your 5 strengths from the Strengths Finder assessment? If you haven't done it, would you be interested in taking that assessment?

11. Have you taken any other personality or work-type assessments (True Colors, DiSC, MBTI, etc)? If so, can you share your results here? I will also share mine during our training meetings.

12. What is your major and do you have any career goals in mind right now?

13. What experiences and skills are you hoping to gain from this job to translate to your career post CSU?

14. Is there anything else I should know about you to best support you in this role as well as your career goals?
