## Career Center Room Sponsorship Opportunities

(standalone effort or discounted partnership add-on)

The Career Center has several rooms that are allocated for interviewing, networking, and studying. Sponsoring one of these rooms can build your brand, provide a dedicated space for your use when you host interviews on campus, or even serve as a “home base” while participating in events on CSU’s campus.

Sponsoring one of these rooms includes having the room named after your organization, as well as the ability to further brand your space with wall decorations or other adjustments.

Sponsoring an interview room is **\$2000** for a one year term, **\$5000** for a three year term, and **\$8000** for a five year term, plus the cost of any custom decorations or adjustments.

\* If organizations want to include this as part of their overall partnership package a 50% discount on the room sponsorship will be applied.
