

CAREER CENTER COLORADO STATE UNIVERSITY

Welcome to The Career Chronicle, a monthly newsletter from CSU's Career Center designed to keep you up-to-date on our students, campus happenings, and engagement opportunities.

Upcoming Events

- **2023 - 2024 Career Fair Dates:** The Career Center staff is still working to secure dates and locations for both Fall and Spring Career Fairs for the next academic year. When the information for these is confirmed, it will be posted [on this page](#) of the Career Center's website and communicated through this newsletter.
-

Professional Development Opportunities

- **NACE** is hosting a webinar on experiential engagement through employer challenges. The webinar is scheduled for 1PM EST on Thursday, May 9, 2023. More information [here](#).
 - **MPACE's 2023 Annual Conference** is December 6-8 this year and will be held in Denver. Barb Richardson, Director of Operations & Assessment in the Career Center at CSU, will be co-hosting.
-

Diversity, Equity, and Inclusion

- Our [DE+I Toolkit](#) has recently been revamped to make navigation and education easier and more accessible! This is an excellent resource to utilize as you work to educate your employees and create an inclusive culture within your organization.
- *The Chronicle* is tracking the locations where college and university diversity, inclusion, and equity efforts are under attack by legislation. They've [created a tracking tool](#) that can be followed as they continually monitor these legislative efforts.

Student Trends

- **Hiring for Success:** As the job market continues to be a candidates' market, competition to hire top talent continues to be stiff.
- Whether you don't have the capacity for a summer-long intern, or already have a program but still need additional help, check out our Micro-Internship program! Through our partnership with Parker Dewey, the largest freelance platform for college students and recent graduates, you can easily get short-term, project-based help. Unlike a traditional internship, these paid opportunities typically range from 5 to 40 hours of work, and many can be completed remotely. For more information and to get started, visit CSU's Micro-Internship page.
- CSU sport management students recently had the opportunity to pitch event ideas to the Colorado Rockies marketing team. This opportunity was part of the **Colorado Rockies Sport Management Institute**.

Career Center Information

As the Employer Relations team has grown, employer meetings are now being split up amongst our Employer Relations Coordinators. These splits have been determined by college and area of study, list below:

- **Lisa Gilbert-Hardon (Engineering, Veterinary Medicine and Biomedical Sciences)**
