Welcome to The Career Chronicle, a monthly newsletter from CSU's Career Center designed to keep you up-to-date on our students, campus happenings, and engagement opportunities.

Upcoming Events

CSU In-Person All Majors Career Fair: Spring 2023 - February 14 and 15, 2023
Walter Scott, Jr. College of Engineering: Spring 2023 Career Fair - March 9, 2023

At this time, registration for both fairs has filled completely. For those who will be joining us, we look forward to seeing you on campus soon! Waitlists are available for both the In-Person All Majors Career Fair and the College of Engineering Career Fair.

Professional Development Opportunities

If you haven't already done so, consider bookmarking our "Employers" webpage for quick access and reference! This will allow you to stay up to date with engagement opportunities, as well as have access to our job posting resources and services.

Handshake Updates
As of December 15, employer validation is fully up and running, and the Trust Score has been removed. Handshake has an article they've provided that should answer any questions you have about the validation process.

Volunteer with CSU Spur
CSU Spur is looking for volunteers who want to have a direct impact on their community and the future. CSU Spur volunteers will lead the way in connecting children, families, and community members to hands-on science and real-world solutions. Volunteers are so important to ensuring that students and visitors feel welcome, connect to educational opportunities, and leave CSU Spur inspired!
Our [DEI Toolkit](#) is an excellent resource to utilize as you work to educate your employees and create an inclusive culture within your organization. We are in the process of reviewing and updating the toolkit to make it easier to navigate, but the toolkit remains accessible while these updates are ongoing.

**Land-grant revenue redirected to support members of Native American and Indigenous Tribes**
