Greetings and welcome to The Career Chronicle, the monthly newsletter from CSU's Career Center. Our goal is to keep you in the know about our talented students, campus events, and engagement opportunities that can help you achieve your career related goals. Whether you’re an alum, employer, or simply interested in staying informed, we’re thrilled to have you as a part of our community. So sit back, relax, and let us keep you up to date with the latest news and insights from the world of career development at CSU.

**Professional Development Opportunities**
• Why Authenticity Is Essential To An Impressive and Effective Candidate Experience - read the NACE article here.

• Artificial intelligence is a hot topic presently, read how the use of AI might impact recruitment in the NACE article Ethical Considerations For Using AI In College Recruiting.

• MPACE’s 2023 Annual Conference is December 6-8 this year and will be held in Denver. Barb Richardson, Director of Operations & Assessment in the Career Center at CSU, will be co-hosting.

Diversity, Equity, and Inclusion

Check out our DE&I Toolkit

• What is happening to DE&I in Higher Education?
  • Vague laws are heightening fears
  • DEI commitments are being tested by lawmakers
  • Diversity spending in being banned in some public colleges
  • Bills that would ban diversity, equity, and inclusion programs are affecting teaching and tenure
  • Check out this National DEI Legislation Tracker

Student Trends

• Unpaid Internships and the NEED for Federal Action - unpaid internships is a call to policymakers to address the inherent inequities unpaid internships cause and to work to ensure all internships are paid.

• The Future of Learning and Work: Creating More Equal Opportunity in a More Digital World

• In Their Own Words: Challenges of First-Gen Students

Local Business Resources

Join Your Sector’s Partnership Committee
Sector partnerships build industry-led partnerships in a shared labor market region, strengthening regional economies and aligning education and training systems with industry needs. Sector partnerships also focus on other issues related to an industry’s competitiveness. This ensures deeper, broader, and longer-term industry engagement and success.

• Northern Colorado Construction Sector Partnership
• Northern Colorado Health Sector Partnership
• Northern Colorado Hospitality Sector Partnership

Sign Your Business Up for Work-Based Learning Reimbursement Program!
In partnership with the Fort Collins Area Chamber of Commerce, the Work-Based Learning Incentive Program (WBLIP) is a state-funded program offering financial reimbursements of up to $10,000 to businesses to create or expand high-quality work-based learning programs. Additional incentives are available, including for small and/or rural businesses. This program ends in May 2024.

WBLIP will provide funding to assist with the expenses for developing or expanding existing work-based learning programs, including but not limited to training costs.

This program for students and job seekers creates opportunities to learn ABOUT work THROUGH work and AT work.

**Work-based Learning Quality Expectations**

**Employer Incentive Checklist**

For more information and to sign your business up for Work-Based Learning and this reimbursement program, contact: Heather Everett – WBLIP Manager: [heverett-wblip@outlook.com](mailto:heverett-wblip@outlook.com)
More Information

Career Center Information

To ensure each employer receives the attention and expertise it deserves, disciplines are now divided among our three Employer Relations Coordinators based on college and area of study. This means you can look forward to even more tailored and personalized support from our team. We look forward to working with you to achieve your goal of hiring CSU students!
