## Professional Development Opportunities

- LinkedIn Learning** is an online education platform for discovering and enhancing your business, technology, and creative skills through engaging course videos. With an impressive selection of over 5,000 opportunities to explore, this platform offers a convenient and effective way to gain valuable insight on a wide range of business-related topics. The options are endless with an array of choices to delve into. Including HR, Excel spreadsheets, DE+I, and so much more. Finding the ideal course to meet your specific business learning specifications will be a breeze.

- MPACE's **2023 Annual Conference** is December 6-8 this year and will be held in Denver. Barb Richardson, Director of Operations & Assessment in the Career Center at CSU, will be co-hosting.

## Diversity, Equity, and Inclusion

- Monday, June 19, 2023, is observed as **Juneteenth**. This federal holiday commemorates the announcement of emancipation for enslaved African Americans in Texas on June 19, 1865, and continues to be celebrated across the United States more than 150 years later. Take some time to explore local events in your community and discover ways to celebrate and play tribute to this significant day.
- June marks the annual celebration of **Pride Month** the LGBTQIA+ community commemorates its global influence through a range of events and activities. The celebration takes place in June to honor the **Stonewall Riots** that took place in 1969, a significant event in the history of LGBTQIA+ rights. It's an excellent opportunity to acknowledge and appreciate the contributions of your LGBTQIA+ colleagues, deepen your understanding of LGBTQIA+ history, celebrate diversity, and reflect on ways to promote a more inclusive society.
- Exciting news! Our **DE+I Toolkit** has undergone a revamp, making it an even more valuable resource for organizations looking to educate employees and wanting to cultivate an inclusive culture. Whether you are just starting out or looking to build on existing efforts, our DE+I Toolkit is a great place to begin.

## Student Trends

- Recent incidences involving campus speakers have brought attention to how college students **redefining the concept of harm** to include not only physical safety but also emotional safety. While this is not a new idea, experts know that today's students are particularly sensitive to the potential impacts of harm. This trend reflects a growing recognition that functional well-being is just as important as physical safety. And that it is crucial to create campus environments that promote both.

## Career Center Information

To ensure each employer receives the attention and expertise it deserves, disciplines are now divided among our three Employer Relations Coordinators based on college and area of study. This means you can look forward to even more tailored and personalized support from our team. We look forward to working with you to achieve your goal of hiring CSU students!
